ACT Board of Senior Secondary Studies (ACTBSSS) policies on late submission of work and completion of assessment items.

(taken from the ACTBSSS *Policy and Procedures Manual 2010* (<http://www.bsss.act.edu.au>), accessed 24 February 2010).

4.3.5.13.3 *Late Submission of Work*

Students are encouraged to submit work on time as this is a valuable organisational skill.

Students are also encouraged to complete work even if it is late as there are educational benefits in so doing. The following policy is to ensure equity for all students:

- All assessment tasks are expected to be submitted by the specified due date.
- Where marks are awarded for assessment tasks, a late penalty will apply unless an extension is granted. The penalty for late submission is 5% of possible marks per calendar day late, including weekends and public holidays, until a notional zero is reached. If an item is more than 7 days late, it receives the notional zero. Submission on weekends or public holidays is not acceptable. Calculation of a notional zero is based on items submitted on time or with an approved extension. (Refer section 4.3.5.13.4 *Notional Zeros*)
- Where marks are not awarded and a grade only is given for an assessment task, teachers will take into account the extent to which students have demonstrated their ability to complete and submit the task by the due date (taking into account any extensions granted) in awarding the grade.
- Unless there are exceptional circumstances, students must apply for an extension to the specified due date in advance, providing due cause and adequate documentary evidence for late submission.
- It may not be possible to grade or score work submitted late after marked work in a unit has been returned to other students.
- The principal has the right to exercise discretion in the application of the late penalty in special circumstances where satisfactory documentation has been provided.

The policy is to be stated on assessment tasks and drawn to the attention of students.

4.3.5.13.2 *Completion of Assessment Items*

Students are required to substantially complete and submit all assessment items that contribute to the assessment for a unit unless due cause and adequate documentary evidence is provided.

Exemption from an item and/or alternative assessment without penalty is available to students providing adequate documentary evidence.

Unless prior approval is granted, any student who fails to submit assessment tasks worth in total 70% or more of the assessment for the unit will be deemed to have voided the unit.

However, the principal has the right to exercise discretion in the award of a grade or score in special circumstances where satisfactory documentation is supplied.
