

Dear Parents and Carers,

Firstly, thanks to all of you who have already made your voluntary contributions to College programs. For those of you yet to make a contribution, this is our final friendly reminder for Semester 1 2017!

By now, you should already have received your Family Transaction Statement, detailing yearly and semester contributions, as well as any subject- specific contributions relevant to your child.

If you have not already received this, or have misplaced it, let the Front Office know and we can email it out again.

The College really does rely on your voluntary contributions. We are all aware that contributions are voluntary, but one of the strengths of Dickson College is the strong commitment that parents have always shown towards enhancing the quality of our education programs, through payment of these contributions.

If you are unable to make the full payment, please consider making a contribution of some lesser amount. Every dollar we receive will be invested in your child's education.

Payment options available:

1. Credit card and EFTPOS (debit)	In person at Dickson College or Over the telephone; please call reception on 02 6142 0140
2. Cheque	In person or via mail
3. Online payment system: Quickweb	http://www.dicksonc.act.edu.au/our_school/payment or Dickson College website > Our School > Payment
4. Direct Deposit	Bank: Westpac Account name: Dickson College BSB: 032-777 Account Number: 00-1201

Yours sincerely,

Craig Edwards
Principal
April 2017
