APPEALS

Every student has the right to appeal assessment and unit grades and scores. If you are unhappy with your grade or score or grade you should speak with these people (in this order):

1. Your teacher – explain your concerns and ask for clarification of why they awarded the score/grade. If you are still not satisfied, go to step 2.
2. The faculty executive teacher - explain what you have discussed with your teacher, your concerns and ask for them to review the score or grade. If you are still not satisfied, go to step 3.
3. Assessment and Certification executive teacher – explain what your teacher and the faculty SLC discussed with you, what your concerns are and what you would like to happen. At this stage the appeal can become a formal written appeal and BSSS policy and procedures will be followed. The Assessment and Certification executive teacher will go through these procedures with you.

*NB. There is a limited period to appeal unit scores/grades. Please make sure that you speak with your teachers immediately if you have any concerns. Check unit scores/grades as soon as they are posted and speak to your teacher if you have any questions. **All formal appeals are due by 12:00pm on Monday 3 December.** Appeals not submitted by the due date may not be heard.*
